Lord, we cry out to You the One True God
Hear our prayer
And we lay our crowns down at Your Holy throne
We honor You
And we offer to You alone our highest praise
For no one else on the earth or in heaven compares to You

Chorus:

Be exalted O God (repeat 3x)
Be exalted

You're God of the universe, Creator of our hearts
The Great I Am
The everlasting God, Lion of Judah
The Holy One
And we offer to You alone our highest praise
For no one else on the earth or in heaven compares to You
We will glorify the King of the nations
We will magnify the Lord of Hosts
