

# Motion

Words and Music: *Nathanael Meyst, Kenny Blanco & Michael Collazo*

## **Verse 1:**

Move my heart like Your heart moves  
To love like You  
When You speak I will lean in  
I walk in truth

## **Pre-Chorus:**

Your grace is enough  
You never give up on me  
Jesus my God  
With all of my heart I will choose to be

## **Chorus:**

In step with Your motion  
With You there's nowhere to go but up  
You have my devotion  
To all of the world I'll declare Your love

## **Verse 2:**

I was lost then you found me  
In seas of grace  
You lift me up when I fall down  
I see your face

## **Bridge:**

To know You  
To see You  
To hear Your voice  
Hear it cut through

To love You  
And be with You  
You are my choice  
I choose You
