

SONG TITLE: THROUGH IT ALL

WRITTEN BY: CY JACKSON

First Verse

How could you love me
I'm as filthy as rags
Head down can't you see
My shameful dirty past
Your heart still beats for me
When I don't deserve you
Tell me how could this be
When I turned away

B-Section

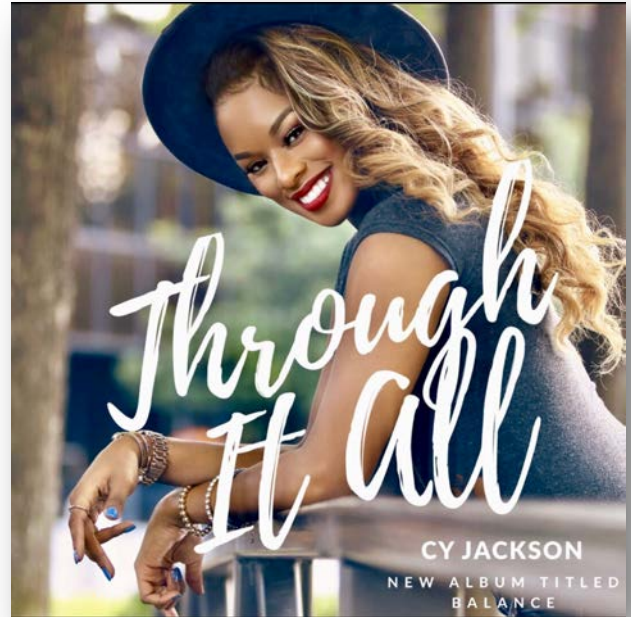

Ooooh
When I messed up you stayed consistent
Ooooh
When everyone turned away you didn't

Hook

Through it all
You're the one that I can call
When my skies begin to fall
You hold me through it all
I can stand
Because you have a plan
I'm no longer the same
Because you take me as I am, am I am I am
Take me as I am am I am oh
Take me as I am

2nd Verse

When everyone turned their backs
You were still there
I painted my skies dark grey
And you still cared

You have a plan for me
That I couldn't see
Because of you I do believe
I am set free

B-Section

Ooooh
When I messed up you stayed consistent
Ooooh
When everyone turned away you didn't

Hook

Through it all
You're the one that I can call
When my skies begin to fall
You hold me through it all
I can stand
Because you have a plan
I'm no longer the same
Because you take me as I am, am I am I am
Take me as I am, am I am oh
Take me as I am

Bridge

Love is there
You still care
The dark clouds are over
I'll write your name
On my heart
Over and over
Oh yeah
