Love walks into my house and turns the lights back on  
Love walks into my doubt when trust is all but gone  
Love runs into my heart and tears the finish line  
Love runs into my scars and heals them everytime, everytime

AND LOVE IS BURNING THROUGH MY VEINS  
IT'S ALL THAT WILL REMAIN, IT'S HERE AND LOVE IS NOW  
AND LOVE IS ALL I WANNA KNOW  
IT'S THE PROMISE THAT I HOLD WHEN MY DREAMS DISAPPEAR  
AND LOVE IS HERE

Love sees every answer and all that hides beneath  
Love makes me a dancer when I can't feel the beat  
Love leads my soul so far to worlds I'd never find  
Love is brighter than the stars and love is kind

AND LOVE IS BURNING THROUGH MY VEINS  
IT'S ALL THAT WILL REMAIN, IT'S HERE AND LOVE IS NOW  
AND LOVE IS OUT OF MY CONTROL  
IT'S THE SUNSHINE AND THE SNOW IT WILL HOLD ON THROUGH THE YEARS  
AND LOVE IS HERE

Love is hanging there saying I have died for you  
Love is giving life so that you can make it through  
Love is loving more so that you can win your war  
Love is what your heart has been longing for  
It's all that will remain, it's here and love is now

AND LOVE IS BURNING THROUGH MY VEINS  
IT'S ALL THAT WILL REMAIN, IT'S HERE AND LOVE IS NOW  
AND LOVE WILL NEVER LET YOU GO  
IT WILL ALWAYS HOLD YOU CLOSE AND YOU DON'T HAVE TO FEAR  
'CAUSE LOVE IS HERE
