
Story Behind the Song

"Love Is Here"

"Love Is Here" is a declaration. A statement. Jesus is love personified. There is no greater example of love that we will see in this life. Jesus is Love. His sacrifice is love personified. Ever since I was a young boy in Sunday school we've been singing "Jesus Loves Me". This song is an extension of that thought. The song's bridge drives this point home. "Love is hanging there saying I have died for you, love is giving life so that you can make it through, love is what our hearts are longing for". Jesus sets the example that we need to continue every day of our lives. Reach deep, love deep. Long for His love in your life. Share His love with others. Love is here.
