### Verse 1

I catch a glimpse  
And my heart brakes,  
But hope is found in You.  
It's found in You.

### Verse 2

No more fear.  
I've been restored  
So I can share Your hope.  
Hope is found in You.

### Pre Chorus

You sent us out  
To love a world that needs your touch.  
You sent us out  
To shine Your love. Shine it bright.

### Chorus

To the ends of the earth  
You shine Your love.  
Your the hope that's come  
to everyone.

### Verse 3

I feel Your heart  
With those in need.  
Healing's found in You.  
It's found in You.
