

The Writing On The Wall

Words and Music: Aaron Miller 2013

Verse 1:

Another day another hour another shot in the dark
Another moment alone to leave things just how they are
And every time I see you you're just walking away
Emotions flooding in like a hurricane
Another night another story another reason to stay
Another string of broken promises they're sounding the same
We'll have to get together ya just give me a ring
We're starting to feel like a memory

Chorus

Let me go if you can't let me in
If I could turn back time then we'd be together
It's hard to breath when it's so plain to see
The writing's on the wall it's on the wall

Verse 2

It's funny how the silence tends to drown out the rain
When it's falling with a rhythm saying nothing's the same
I wish we'd get together we could work this all out
Take it back to the start tell me what's it about
I'm looking for a reason but I'm coming up short
I'm searching for an answer but I'm feeling more lost
And everything is frozen now we're standing still
Reality changed and it doesn't seem real

Chorus

Let me go if you can't let me in
If I could turn back time we'd be together
It's hard to breath when it's so plain to see
The writing's on the wall it's on the wall

Bridge

If we could turn back time
If we could turn back time then we'd be together
If we could turn back time
If we could turn back time then we'd be together

Chorus

Let me go if you can't let me in
If I could turn back time we'd be together
It's hard to breath when it's so plain to see
The writing's on the wall it's on the wall

Let me go if you can't let me in
If I could turn back time then we'd be together
It's hard to breath when it's so plain to see
The writing's on the wall it's on the wall
