VERSE

You are exalted over all the nations
Your glory is above the sky
Who is like the Lord of all creation
The One who sits enthroned on high

PRECHORUS

From the rising of the sun to where it sets
God, Your name will be praised

CHORUS

Hallelujah, we'll sing together and praise the name of the Lord
Singing Hallelujah, we'll lift His name up both now and forever more

VERSE

You look down on all creation
You see the childless, poor and hurt
You give them places at your banquet
You lift the needy up from the dirt

PRECHORUS

From the rising of the sun to where it sets
God, Your name will be praised

CHORUS

Hallelujah, we'll sing together and praise the name of the Lord
Singing Hallelujah, we'll lift His name up both now and forever more

PRECHORUS

From the rising of the sun to where it sets
God, Your name will be praised

CHORUS

Hallelujah, we'll sing together and praise the name of the Lord
Singing Hallelujah, we'll lift His name up both now and forever more
