Fresh Life Worship "Glory Roaring"

Album: The Whole Time | Written by: Jess Ekegren, Kevin Guido | CCLI # 710088

VERSE 1

There is power when you speak
Your voice like thunder
Growing louder and louder
The mountains tremble at the sound
Of glory roaring drawing closer and closer

Who can stand before the Lord most high?

CHORUS

All creation knows it's place at your feet
Singing "Holy, holy is the Lord"
Gladly I will bow to the King of Kings
Singing "Holy, holy is the Lord"

VERSE 2

No eye can behold the light
Your robes like fire burning brighter and brighter
My heart stirs in holy fear of your great power
I bow lower and lower

'Cause who can stand before the Lord most high?

CHORUS

BRIDGE

Can you hear it now?
All of heaven shouts
"You alone are God"
We declare it now
Lift your voice and shout
"You alone are God"
(Repeat)

CHORUS
