## Leanne Leslie "To Worship You"

Leanne Leslie is a singer, speaker and worship leader from Pittsburgh, Pennsylvania. Leanne began singing in Church at an early age and since that time has been actively ministering through music.

At age 23, Leanne was happily married and expecting her first child when tragedy struck. Leanne's Father had committed suicide and her life changed forever. Bereaved with unanswered questions, Leanne turned to food for comfort; eventually reaching the point of morbid obesity. In the end, through the grace of God, Leanne was able to pull thorough losing nearly 130lbs.

After years of struggling with who she was (and through a series of God-filled events), Leanne was called to share her story of faith through adversity.

Leanne's new album "Rise Up", is a series of songs that tell her story.

"I've overcome a lot," Leanne reflects. "This album is meant to give a message of hope and faith when all seems lost. My prayer is that others can rise up through the love, grace and power of our great God."
