

Lyrics

Mark & Sarah Tillman "Fragrance"

WRITERS: Mark & Sarah Tillman
LICENSING: ©2013 Mark & Sarah Tillman

I have come to worship
I have come to sing
I have come to lay down everything
Everything, everything

I break open my praise
I spill forth your name
Have the fragrance of my life
Have the fragrance let it rise

I have come in open
I have come in need
I have come to lay down everything
Everything, everything

Take my life
Let it rise
