Lord I praise you. You shine on me  
Living for Jesus is the easiest thing to do  
You clear my way and give me an easy path  
You clear my mind and give me a stress free one  
You give me health and strength  
Oh Abba my Abba you give me life, while I give You praises

Jesus Holy One of God You came to set the captives free  
Jesus Righteous One of God in you my Lord I do believe

Lord I love You. You saved my life.  
How easy it is Lord to have a contract with You  
You give me joy and happiness  
I only give You praises and follow Your commandments  
You give me health and strength  
Oh Abba my Abba You give me life, while I give You praises

Chorus 2x  
You came to set the captives free. Your Holy Spirit dwells in me

You are marvelous, wonderful, beautiful  
And Your beauty is beyond compare  
In my life I have witnessed Your Majesty  
And I love You Yes I love You

Chorus 2x  
You came to set the captives free. Your Holy Spirit dwells in me  
You came to set the captives free  
For You are God
