Verse 1

Well, for 40 days and nights
Outside my window did it pour
Flooding my life with endless sorrow

It's all over my head

Chorus

Oh, oh, because You loved me
Oh, whoa oh whoa
Because You loved me
Took my hand
You took my hand

Verse 2

So I gathered all my thoughts
And prayed my water would turn to wine
Just to find a bottle of trouble
As I stumbled behind

Pre-Chorus

But You looked
And You sighed
As You opened up my eyes
